

# National Variety Adventure Camp Goanna Park

## Rules of the Camp for Students

1. You must follow the directions and instructions of your Carer, Camp staff and especially the people who are teaching you, at all times. If you believe that your Carer or a Camp Staff member has asked you to do something that is too hard or not fair, you should tell them, nicely and without shouting, why you are having trouble doing what they have asked. Your Carer will then decide if you should do it or if it should be changed.

Where you have been asked to do something that is for your safety, the instruction must be followed. If you continually refuse or ignore instructions you will have to see the Camp Director who may send you home.

2. Teasing, swearing, kicking, hitting, tripping, bullying or being rude to others is not appropriate behaviour and will not be allowed. The adventure camp is for everyone to enjoy and each person has a right to not be picked on. The consequence of bad behaviour of this kind will be that you will be helping in the kitchen washing up, mopping floors etc. instead of going on a trip or joining the days program.
3. Sexual harrasment will not be tolerated on this camp. This rule applies to everyone.
4. You must not leave the camp area without a Carer. The lake and bush area is out of bounds. You will see a stop sign, do not pass it without asking if you can first.
5. After lights out you are not allowed in someone else's tent or room. No exceptions.
6. When on outside visits you are expected to behave appropriately and set an example to each other and to other people.

## House Rules

1. After Meals you must clear your plates and place them on the counter where directed.
2. All litter must be put in waste bins. Your camp area must be kept clean of litter. This also means keeping areas outside of the camp clear of litter, especially on visits. Respect the countryside.
3. Everyone must shower each night and clean their teeth. You should shower or wash in the morning before breakfast. Make sure you flush the toilet everytime.
4. Please use your manners, please and thank you is expected.
